## Enjoy a Thrilling Family Reunion by Long Distance

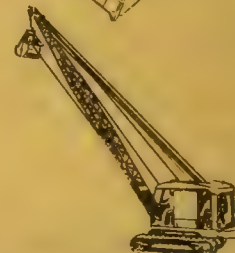

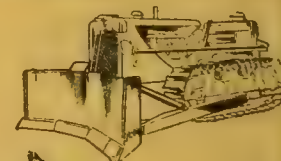

The next best thing to attending a family reunion in person is  
a get-together by low-cost long distance. You can be con-  
nected with different members of your family at different places  
on the same long distance call. Each can talk and be heard by  
the others. Just ask for the Conference Operator—she'll be  
glad to take care of the details.

The next best thing to attending a family reunion in person is a get-together by low-cost long distance. You can be connected with different members of your family at different places on the same long distance call. Each can talk and be heard by the others. Just ask for the Conference Operator—she'll be glad to take care of the details.
